

## The Mess

Since the beginning, human beings have been trying to figure out the best way to live. God often sent great prophets to lead and guide the people, but many of the people didn't listen to them. Finally, when the time was just right, God sent his only Son, Jesus.

The world was a mess because people were confused about who they were and the purpose of life. They were lost. They needed to be saved from their selfishness and sin.

So God sent his Son, Jesus, to save them. And he didn't send Jesus just for the people of that time; he sent Jesus to save the people of all times. Do you need to be saved from your selfishness?

You see, your story and Jesus' story are connected. Jesus' story is not just about what happened two thousand years ago. It is also about your friendship with him today.

We all need to be saved, and people who need to be saved need a savior. Jesus is the Savior of the world. What does that mean?
