

You and the Church

Pentecost is the birthday of the Church. We celebrate Pentecost every year, just like you celebrate your birthday.

Jesus gave us the Church to pass his message on to the people of every place and every time. On Sunday at Mass Jesus' message is passed on to you and your family.

The Church also passes along the Sacraments, so that you can continue to receive the grace you need to you need to become the-best-version-of-yourself, grow in virtue, and live a holy life.

You are blessed to be a member of the One, Holy, Catholic, and Apostolic Church.

How do you think it would have been different being a Christian two thousand years ago than it is today?
