

Jesus' Birth & Childhood

Jesus had a huge mission: to save every sinner in history from their sins. That's a big mission, right?

And yet, God in his wisdom decided not to come as the king of a great nation or as a powerful political leader. He didn't even come as the son of a rich man, but as a baby born in a stable.

What lesson does this teach us? God's ways are not man's ways.

God has a unique way of doing things. He has wisdom far beyond that of the wisest men and women in this world. His ways are far superior to our own ways. He has a better plan for your life than any you could dream up for yourself. Ask God to fill you with his wisdom so that you can learn his way of doing things.

God came into the world as a tiny, helpless child. Every year we celebrate the miracle of Jesus' birth. Christmas is Jesus' birthday. But if Christmas is Jesus' birthday, why do you get presents?
