

Jesus is Your Savior

Now, think about all the men, women, and children since the beginning of time, and the many things that they have done that are selfish and wrong and offend God. Jesus came and paid the price for all of these sins by dying for you and me on the cross. Why? Because he wants you to be happy with him forever in heaven. Amazing, isn't it? When Jesus was on the cross, he thought of you. He loved you then and he loves you now.

Many people can save you from various situations, but only Jesus can save you from your sins.
