

Love One Another

If we love God with all our hearts, souls, and minds, we will try every day to become a-better-version-of-ourselves, to live holy lives, and obey God's commandments.

Jesus wanted everyone to know that it is not enough just to say that we love God. He wanted us to know that one of the most powerful ways we show God that we love him is by loving other people. Jesus was always standing up for the people who could not stand up for themselves. And he teaches us to treat other people the way we would like to be treated.

God is constantly trying to show us the best way to live. He gave Moses the Ten Commandments to share with us so that we could live holy lives. He sent Jesus to clear the confusion about what is right and what is wrong. After Jesus died, rose from the dead, and ascended into heaven, God the Father sent the Holy Spirit to guide us. He has also given us the Bible and the One, Holy, Catholic, and Apostolic Church to help us answer all the questions we have along the way.

Remember, you are on a journey with God. Along the way you are going to have lots of questions. That's okay. Everyone has questions in their journey with God. A little later we will talk about what to do when you don't know what to do.
