*To read Scripture in the context of the underlying narrative of God's plan, fourteen of the Bible's narrative books have been arranged chronologically in *The Bible Timeline™* Learning System so that they tell the entire story from the beginning to the end. The remaining books, called "supplemental" books on *The Bible Timeline™* Chart, are no less important than the narrative books but are arranged on the Chart and in this diagram in such a way that their relationship to particular time periods can be seen easily.
