

The Miracles of Jesus

Jesus performed hundreds of miracles. He healed the sick, made the blind see and the lame walk, and comforted the afflicted. He didn't do these things to show off or amaze people. Jesus performed miracles because he felt tremendous mercy for people and wanted to demonstrate the awesome compassion he had for those who were struggling and suffering. He also wanted people to be absolutely clear that he was not just a great teacher, but that he was God.

God has great compassion for his people. One of the ways we can share in Jesus' mission is by bringing his compassion to everyone who crosses our path in life.

If you could perform one of Jesus' miracles today, which would you choose? Why?
