

The Resurrection

On Sunday morning, three days after Jesus died on the cross, he rose from the dead. We call this the Resurrection. Never before and never since has anyone raised himself from the dead.

The Resurrection is the most important event in history.

One of the reasons that Jesus died on the cross and rose from the dead was so that we could go to heaven. God wants you to live with him and the angels and saints in heaven forever.

Do you want to go to heaven? Why?

The Ascension

For forty days after he rose from the dead, Jesus appeared to many people. Then he took the eleven remaining disciples out to a place near Bethany. He blessed them and then ascended into heaven, forty days after the Resurrection.

We call this the Ascension.

Jesus is a bridge between heaven and earth. By ascending into heaven he cleared the way for us to receive the ultimate blessing: eternal life.

You are blessed.

Why were there only eleven disciples at the Ascension?
